

Vinod More, 44, & Sangeeta More, 39

THE JEWEL BOX

Design experience: Vinod studied at the Gemmological Institute of America in New York before getting hands-on in Bangkok, Antwerp and Hong Kong. His wife, Sangeeta, studied gem grading, jewellery design and making.

What's hot: "Interchangeable jewellery. We also like creating sets because it's challenging to blend pieces together within set budgets."

Top services: "Bespoke fine jewellery, vintage jewellery, restoration services and personalised gifts. A made-to-order item takes four to six weeks to do."

Price range: "From about \$500 for work and material for a plain ring, up to \$250,000 for an elaborate earrings-and-necklace set with large diamonds."

The Jewel Box is #25-04 Shaw Centre, Tel: 6733 4100. www.thejewelbox.com.
